

Listening Cloze Test 7

- 1) I'll print you off this list. There we go.
- 2) Right. Do I really need to study everything on these?
- 3) No. I suggest there are five or six you can look at.
- 4) The one you have to go through
- 5) is the IT department section on the university site,
- 6) which is www.kmul.org.
- 7) It has articles by all of us in the department
- 8) and has links to useful information.
- 9) I think it is essential to look at this.
- 10) Okay. I've already been on it,
- 11) but I'll tick that one as a must read.
- 12) And there's a site, which is hosted by Pollock,
- 13) it's investment_IT.com.
- 14) they'll give you a general idea about the effects of investment in knowledge.
- 15) Yes. That sounds good.
- 16) It cuts out having to read everything.
- 17) What about this one, knowledge_journal.com?
- 18) If I remember it's not that useful.
- 19) I would say that there are very few things that you need to read there.
- 20) Then there's IT_knowledge_review.com.
- 21) It's got loads of articles, but it's probably best
- 22) just to read those that have come out in the last term or so.
