# LOWERCASE OR UPPERCASE?

- Answers may be written in upper or lower case.

## Some Hot Tips To Improve Your Score

If you are asked to write an answer using a certain number of words and/or (a) number(s), you will be penalised if you exceed this. For example, if a question specifies an answer using **NO MORE THAN THREE WORDS** and the correct answer is '**black leather coat**', the answer '**coat of black leather**' is *incorrect*.

In questions where you are expected to complete a gap, you should transfer only the necessary missing word(s) onto the answer sheet. For example, to complete '**in the .. .**', and the correct answer is '**morning**', the answer '**in the morning**' would be *incorrect*.

Both **US** and **UK spelling** are acceptable and are included in the Answer Key.

All **standard alternatives** for numbers, dates and currencies are acceptable.

All **standard abbreviations** are acceptable.

For questions where the answers are **letters** or **Roman numerals**, you should write **only** the number of answers required. For example, if the answer is a single letter or numeral you should write only one answer. If you have written more letters or numerals than are required, the answer must be marked wrong.
